**Why
to Choose
SIMBA?**

> 02 KEY ADVANTAGES

Choose from more than 5 undergraduate programs and over 10 master's degree programs to tailor your education to your career goals.

Regionally and Worldwide Accredited Curriculum: Our curriculum is recognized both regionally and internationally, ensuring a high standard of education.

Transfer Options to Study Abroad: Benefit from Assumption University's strategic partnerships with institutions across all continents.

Experience-Based Courses: Courses designed to provide practical, real-world experience.

Educational Pathway for Development:

The first year is a preparation phase that saves time and sets a clear and stable future. It helps students manage their time efficiently, build familiarity with peers and faculty, and receive support to discover their interests and strengths, providing a solid foundation for selecting their undergraduate program in the second year.

Real Work Experience: Collaborate with leading organizations both domestically and internationally.

Work-Life Balance: Enjoy a learning environment that promotes creativity, innovation, and freedom of thought.

01 EARN TWO DEGREES FASTER

Earning both a bachelor's and a master's degree simultaneously is a strategic and cost-effective approach to advancing in your field. Accelerated degree programs provide the opportunity to obtain dual degrees in various disciplines such as Business Administration, Science & Engineering, Business Arts, and Communication Arts.

03 ACADEMIC PROGRAMS

UNDERGRADUATE PROGRAMS (3 YEARS)

Plan Your Own Direction and Future. Benefit from subjects best suited to your interest and development:

05 DIVERSE AND INTERNATIONAL FACULTY

Global Perspectives

Our team members come from diverse origins, representing a wide range of cultural and professional backgrounds. This diversity enriches the learning experience, providing students with global perspectives and insights that go beyond regional understandings. Our faculty includes experts from various parts of the world, ensuring a truly international education.

06 GLOBAL STUDY OPPORTUNITIES

Expand Your Horizons

Students also have the option to study overseas through the benefit of joint and double degree programs. These programs offer unparalleled international exposure, allowing students to broaden their horizons, gain diverse perspectives, and enhance their global employability. By taking advantage of these opportunities, students can immerse themselves in different cultures, build a global network, and gain a competitive edge in the international job market.
